

The **Gainesville Newcomers Club** is a wonderful organization designed to provide opportunities for new residents in HALL county to have fun, while making friends and learning about our community.

WHAT DOES THE CLUB OFFER? Once a month a luncheon meeting is held at the Chattahoochee Country Club. An interesting and entertaining program follows a brief meeting, (reservations are required). Throughout the month, a variety of interest groups offer fun and fellowship to a smaller group of women in areas of personal interests (antiquing, bridge, bunko, dining out, gardening, golf, gourmet clubs, hiking, jet skiing, mah jong, morning coffee, painting, quilting, reading, scrap booking, special care, sun sail and ale, sunset cruising, tennis, and warm up America).

WHO CAN JOIN? The Gainesville Newcomers Club is for women of all ages, races and national origins, who, within the past three years, have moved into HALL COUNTY and/or have a Gainesville address. Some interest groups encourage participation by husbands, as well.

HOW MUCH DOES IT COST? Annual dues are only \$30.00. Members also pay for their lunch on days when they plan to attend monthly meetings. Interest groups may have costs for specific materials related to the group's activities.

SPECIAL EVENTS: The annual Spring Fashion Show is held in place of the April luncheon meeting and the May Event is held in place of the May luncheon meeting. Other special events, such as a Tour of Homes or Dinner Dance, may occur during the year. The Club, also, participates in local charity activities, and sponsors several luncheon events for the local senior citizen groups.

HOW CAN I JOIN? More information can be found on our website at www.gainesvillenewcomersclub.com or by calling 678-450-9492 or 770-967-2570.
